

Marana Chamber Health and Wellness scholarship

Help us bring new, badly-needed faces into the healthcare professions!

The Marana Chamber of Commerce Health and Wellness Committee on Wednesday announced formation of the Health and Wellness Scholarship Fund. The goal is to encourage high school students and non-traditional students to enter healthcare as a career.

There is a critical shortage of healthcare professionals in Marana and Southern Arizona in general. BAYADA Home Health has generously become a “Founding Sponsor” of the scholarship with a \$1,000 gift.

We are asking for your generous support to help build the scholarship fund and to bring more students into the field.

Suggested sponsorship levels are:

\$2,500.00
\$1,000.00
\$500.00
\$250.00

A committee composed of Chamber members and the health care community will select two worthy candidates each year to receive the scholarship. The amount depends on you!

We need your help. Please donate by check, sent to Marana Chamber of Commerce – Scholarship Fund, 13881 N. Casa Grande Highway, Marana, AZ 85653, or by credit card by calling the Marana Chamber office at [\(520\) 682-4314](tel:5206824314).

DONATE ONLINE!

Alternatively, members can donate online via their Chamber portal. Log in and make an “additional payment” just as you would make a payment towards membership. A comment box will appear when you click to make an additional payment. Type “DONATION” in the box.

Your help is so appreciated. Thank you.

Dr. Monica Fowler
Chair, Health and Wellness Committee

Kelly Procacinno
Vice Chair, Health and Wellness Committee
